

## Medical Grade Hydrogen Inhalation Machine 3600ml/min with 8000h Lifespan

Our Product Introduction

for more products please visit us on [weizi-medical.com](http://weizi-medical.com)

### Basic Information

- Minimum Order Quantity: 1
- Price: \$1,999-2,250

### Product Specification

- Hydrogen Output: 2400±10 MI/min
- Oxygen Output: 1200±10 MI/min
- Total Flow Rate: 3600, 2700, 1800 MI/min
- Time Setting: 0.5, 1, 2, 3...8 Hours
- Working Life: 8000-10000 Hours
- Power Consumption: 800W
- Voltage: AC100-240V, 50-60Hz
- Housing Material: 6063 Aviation Aluminum Alloy
- Electrode Membrane: Proton N117 Membrane
- Coating Material: Platinum And Iridium
- Product Dimensions: 205\*480\*680mm
- Package Dimensions: 300\*575\*855mm
- Net Weight: 26.8kgs
- Gross Weight: 35kgs
- Outlets: H2 O2 H3

## Product Description

### Upgraded 3600 ML/MIN Hydrogen Brown Gas Equipment Hydrogen Inhalator Oxygen Generating Machine 1500ml

#### Weizi Medical 3600ml/min Hydrogen Inhaler with Advantages:

**Medical grade:** with double electrolyzers and double **Medical grade drivers**.

**Time setting max 8 hours:** you can set the time on the machine 0.5,1,2,3..8 hours. Best choice for experienter and inhaling **hydrogen** the whole night.

**Three outlets H<sub>2</sub>,O<sub>2</sub>,H<sub>2</sub>:** Can be for **one people** to inhale **hydrogen only** or for **two people** to inhale hydrogen and oxygen.

**Electrode membrane material:** **Proton N117** membrane + high-purity **Platinum** coating one side and advanced **Iridium** coating another side.

**Housing material:** 6063 aviation aluminum alloy anodized.

**Longer life time:** To ensure the lifespan **8000-10000 hours**.

**Make hydrogen water** by one or two hydrogen **nano rods**.

**English version** with **English touch screen**, and **English Voice Broadcasting**.

**Plugs customized** according to different **countries**.

# 3600ml, 2700ml, 1800ml HYDROGEN INHALER

Purity 99.992%

## On your machine, with multi Choices:

**3600(2400 H<sub>2</sub>+ 1200 O<sub>2</sub>) ML/MIN** (single suction)(Mixture of hydrogen and oxygen)

**2700(1800 H<sub>2</sub>+ 900 O<sub>2</sub>) ML/MIN** (double suction)(Hydrogen and oxygen separation)

**1800(900 H<sub>2</sub>+ 600 O<sub>2</sub>) ML/MIN** (three suction)(hydrogen and oxygen separation)

Hydrogen is all-natural. In fact, healthy bacteria in our gut make up to 10L of hydrogen gas per day in our colon. We are already wired to recognize it at a cellular level.

Developed by our biomedical engineering, with the press of a button, on-demand cellular and CNS recovery allows for improved energy, enhanced focus and optimal mental stability.

# Three air outlets

Meet different needs for  
hydrogen and oxygen

## Hydrogen Inhalation Starting out

Hydrogen Inhaler is quiet and straight when use. Just **add distilled water**, plug it in and inhale hydrogen at your time. Use the single inlet cannula connected to the Hydrogen outlet. **Start** breathing Hydrogen for about **1/2 hour per day** in the beginning. Then after a few days, you can increase to **1/2 hour in the morning and 1/2 hour in the evening**. **In a week or two**, change to **an hour** in the morning and an hour in the evening. This break between sessions allows time for your body to return to its normal baseline levels.

# Hydrogen flow adjustable

One machine with

3600ml, 2700ml, 1800ml

# Intelligent large screen

Clearly, easy operations

Safe and comfortable

Touch display

Transparent window

Hydrogen visual

Specification

**The latest generation, SPE and PEM technology.**

**With 3 selectable settings** - total flow rate - 3600, 2700 and 1800 ml/min.

**Max Hydrogen (H2) output** up to 2400±10 ml/min.

**Max Oxygen (O2) output** up to 1200±10 ml/min.

**Outlets:** H2 O2 H3.

**Time setting:** 0.5,1,2,3... 8 hours.

**Working life:** 8,000-10000 hours.

**Easy to use:** Touch Screen + English/Japanese/Chinese Voice Broadcasting.

**Compact and better heat dissipation:** 6063 Aluminum alloy anodizing housing.

**Power:** 800w. Voltage: AC100-240V, 50-60Hz.

**Note:** Always use high-quality Distilled Water with Total Dissolved Solids (TDS) of less than 5ppm.

# Voice broadcasting system

Our products have 3 voice broadcasting systems which includes Chinese, English and Japanese

Chinese

Japanese

Package Information

Package Included	Package Information
------------------	---------------------

1 x Machine  
2 x Nasal inhaler  
2 x Transfer takeover  
1 x Y type connector  
1 x Connection tube  
1 x Power cord  
1 x User Manual

Dimension: 205\*480\*680mm  
Unit Package: 300\*575\*855mm  
N.W/G.W: 26.8kgs /35kgs  
173 units for 1 X 20"FT  
454 units for 1 X 40"HQ

## BENEFITS OF HYDROGEN INHALATION

...

hydrogen promote the body cell metabolism human and accelerate to eliminate harmful free radicals. anti-oxidant anti-aging, improve immunity, relieve fatigue and pain. great therapeutic effect on nervous system diseases and cerebrovascular diseases. suggest to use for 1-2 hours per day.

**Increase vitality**

**Relieve fatigue**

**Improve sleep**

**Rejuvenate beauty**

# Widely applications

Safe and reliable

One-touch to meet different needs

## Living home

Daily health

## Hospital treatment

Adjuvant therapy

## Beauty Salon

therapy and health

## Gym & sports

Sports supplement

## Discover Your Benefits, Every Day

Skin Health  
Balance+Tone Boost

Weight Control  
Improve Metabolism

Energy  
Cellular SuperCharge

Immunity  
Support + Boost

Focus  
Creativity + Stability

# Hydrogen Inhaler

Advanced technology with easy to use, quiet design  
Enables you to inhale beneficial Hydrogen

## Company Profile

Shenzhen Weizi Medical Co., Ltd is a high-tech enterprise, focusing on the R&D, production, and sales of hydrogen-ion health products such as hydrogen-ion inhalation machines, hydrogen-ion water machines, oxygen and hydrogen-ion tanks and etc. Some of our products have got CE,FCC, VOC, UKCA, CNAS and RoHS certificates.

From the 2012 year, we start to work with more than 10 hospitals in China. During the 2019 virus year, our hydrogen-ion generator machines win a great effect. Weizi has its own core patented technology, a team of medical professors among us, we have strong R&D capability, always research and develop negative hydrogen-ions medical treatment machine devices.

We can provide professional ODM/OEM projects service, and is one of anion environment solution provider. Meanwhile, we have a professional overseas sales team, one of our shareholder doctor long-term working in Germany. Our aim is to explore the source of life.
