

Portable Hydrogen-Rich Water Drinking Machine With High Speed Hydrogen Dissolving Capacity 4000ppb Micro Nano Bubbles

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: WEIZI
- Certification: CE、FDA、RoHS
- Model Number: WZ-YZ-W50
- Minimum Order Quantity: 1
- Price: 450USD, The price can be negotiated
- Packaging Details: Single package size: 32X58X52 cm
- Delivery Time: 7 work days
- Payment Terms: T/T
- Supply Ability: 100 pieces per month

Product Specification

- Voltage (V): AC110/220V
- Power (W): 2200W
- Dimensions (L X W X H (Inches): 205*438*350mm
- Operating Language: English
- Single Package Size: 52X32X58 Cm
- Single Gross Weight: 15 Kg
- Hydrogen Values: 4000ppb

Product Description

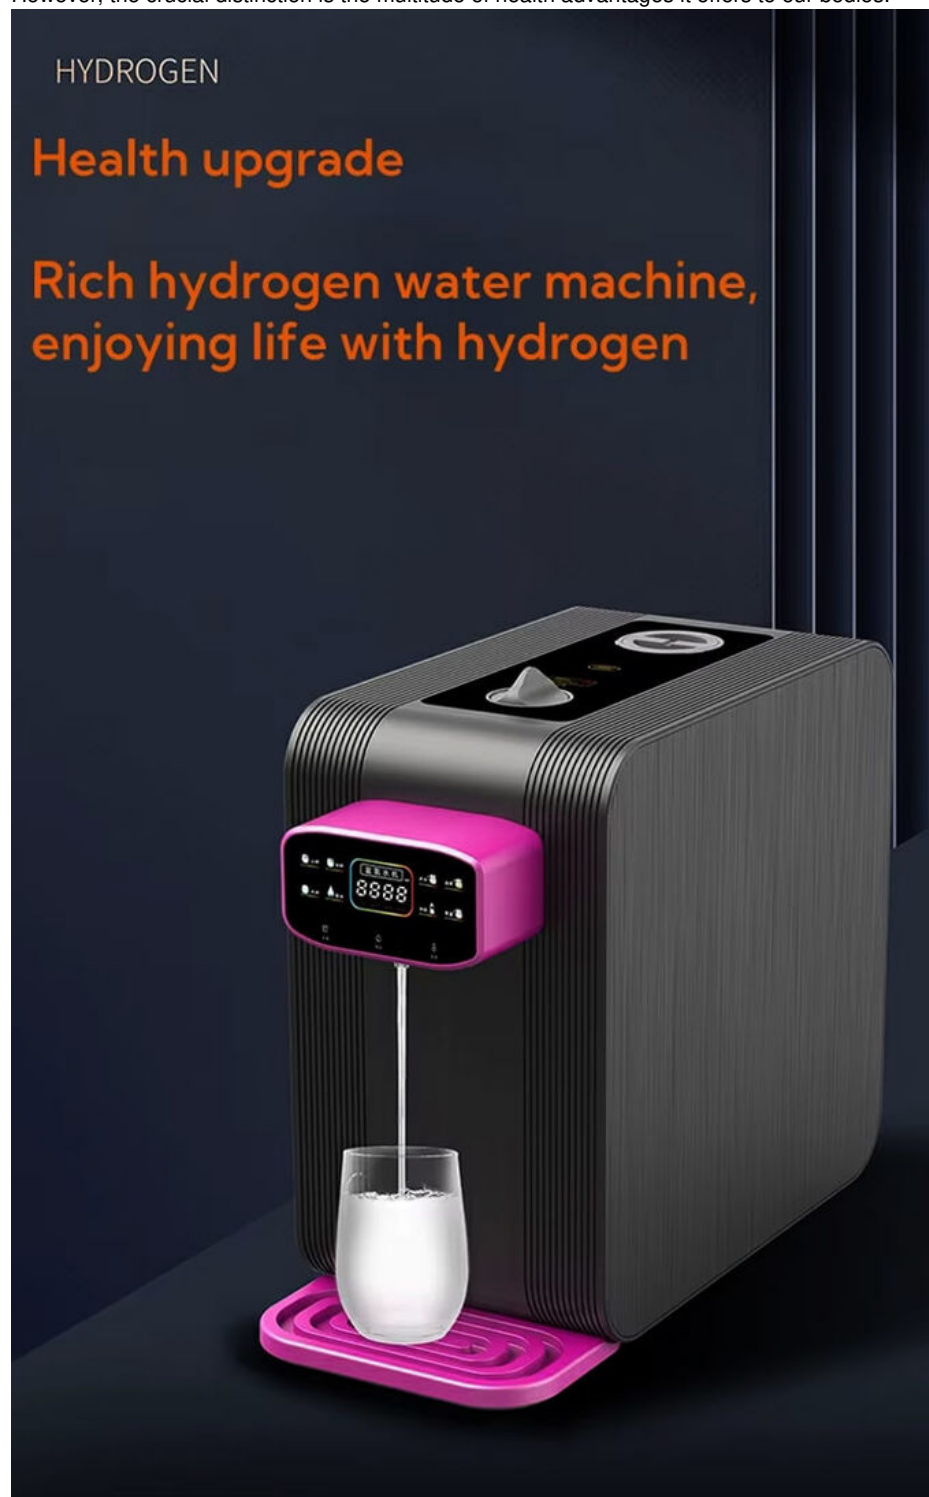

Hydrogen Water Machine WEIZI

What is Known as Hydrogen Water?

While the phrase "molecular hydrogen water" may sound unfamiliar, it is, in fact, rather straightforward to comprehend.

Similar to how carbonated beverages are infused with CO₂ gas, which gives them their effervescent nature, hydrogen water contains H₂ gas, namely hydrogen.

However, the crucial distinction is the multitude of health advantages it offers to our bodies.

Ten Advantages

No installation
required

Hydrogen value
up to 4000ppb

Seven-speed
thermostat

Water Inlet
Automatic

Heating
in seconds

Four gear
water volume

Child lock
design

Touch screen
color display

Timing system
simple to use

99.992%
hydrogen purity

Health Benefits of H₂ Water!

***Powerful Antioxidant Benefits:** Hydrogen molecules act as potent antioxidants, neutralizing harmful free radicals to reduce oxidative stress and inflammation.

***Boosted Energy:** By aiding mitochondrial function, it helps increase your energy levels, enhancing overall vitality.

***Faster Recovery:** It aids in quicker recovery from physical activities by alleviating muscle fatigue and discomfort.

Multiple adjustable levels Instant hydrogen rich water machine

Worry free switching between room temperature, warm water, and hot water levels

Immediate water ingress Instant hydrogen production

Fresh and guaranteed drinking water quality
Only when the machine is working can water enter without leaving any residue, and no stagnant water is formed

25°C 45°C 65°C 85°C 100°C

200ml

350ml

500ml

Transform Your Water?

Hydrogen water is regular water that has been infused with extra active hydrogen molecules, which acts as powerful antioxidants.

These antioxidants help neutralize harmful free radicals in your body, potentially improving your health.

The advertisement features a black and white photograph of the H2Life H2Pure water purifier. The main unit is a tall, black, rectangular device with a digital display showing '8888'. To its right, a hand is shown using the tap water faucet attachment, which is a blue and white device with a digital display showing '99.99%'. Below the photograph, there are three circular icons, each containing a water drop. The first icon has 'H₂' inside the drop, with the text 'Hydrogen solubility' below it. The second icon has a lightning bolt inside the drop, with the text 'body material Aviation aluminum alloy' below it. The third icon has a checkmark inside the drop, with the text 'Hydrogen purity Up to 99.992%' below it.

Hydrogen solubility

body material
Aviation aluminum alloy

Hydrogen purity
Up to 99.992%

A black and white photograph of a modern, cylindrical water dispenser. The dispenser has a sleek, metallic finish. In the center, there is a digital display showing the number '8888'. Above the display, the text '富氢水机' (Hydrogen Water Machine) is visible. Below the display, there are several buttons and indicators: '小杯' (Small Cup), '中杯' (Medium Cup), '大杯' (Large Cup), '开水' (Boiling Water), '泡茶' (Tea), '冲奶' (Milk Powder), '常温水' (Room Temperature Water), and '温度' (Temperature). The dispenser is mounted on a wall, and a water tap is visible at the bottom.

IMPROVING SUB-HEALTH⁺

DRINK HEALTHILY

Improve skin and delay aging

Helps with sleep

Improving sub-health and enhancing immunity

Improve gastrointestinal function

Prevent three highs

Clear tobacco and alcohol poisoning

- *High Hydrogen Production up to 4000PPB
- *Produces hot water on demand great for making tea
- ***Hydrogen water dispensing:** 200ml, 350ml and 500ml.
- ***Connect:** RO water purifier or bottle water
- ***Water for water tank:** pure/distilled water
- ***Water for drinking:** cool or below 50°C hot water from water bottle or RO purifier.
- ***Power:** 2200W

***Voltage:** AC110/220V, 50/60Hz

Note: Always use high-quality Distilled Water with Total Dissolved Solids (TDS) of less than 5ppm.
